

7TH Annual

Winter Wishes Auction Night

To benefit The Wish Project Furniture and Baby Goods-Bank

Mt. Pleasant Golf Club Thursday November 3rd 6-9pm

Silent and live auction event with additional 2 week online auction via Bidding for Good

Dear Friend,

Donate Items Online
www.biddingforgood.com/wishproject

I would like to thank you for supporting this event in the past. Thanks to your donated auction items we were able to once again provide \$1.4million in value of free furnishings, clothing and baby goods to 27,000 very poor clients in the Merrimack Valley. More than half of those we help are children and every donated couch that helps a family is one less in the landfill.

Please consider helping us out again this year

We are currently seeking donations of goods and services for our live and silent auctions. Your donated goods get seen by more than 20,000 online viewers as well! Advertising your products, art and services helps build your business and for us to help one more child next year. In addition, at past auctions items traditionally bring in at least their face value if not more.

Sponsorships are available. Please see the form attached for details. This is a great way to use your advertising budget to help our local kids have a warm bed to sleep in tonight.

Event sponsors receive:

- Online advertising to more than 20,000 potential customers through Bidding for Good
- Advertising online via our Wish E-News that reaches more than 3,500 local people per week
- Signage at our event
- Signage in the warehouse for 1 year following the event

Every \$1 you invest is leveraged into \$4.50 in value of free goods to our local families in need. Helping us means you are helping the clients of more than 36 other referring charities locally so your dollar goes a long way. We fill wish requests from local homeless shelters, battered women's programs, prenatal programs, elder service agencies and those serving the mentally challenged of all ages. Plus, every couch that helps a family move out of homelessness is one less in a landfill.

We may never end poverty, but with your help we can dramatically decrease its impact on our community while reducing waste in our landfills. Good charity can be good for business too.

Thank you for your kind consideration,

Donna Hunnewell
Executive Director and Founder
