

Beds 4 Kids

Each year we provide furniture, clothing, baby gear and more to 27,000 people in need. Two out of three people helped are babies and children.

Every day we struggle to have enough beds and cribs for the kids on our waiting list. Hotels do not donate twin sized beds and the crib recall this year has made safe ones scarce.

Your donation buys a new twin mattress and box-spring or a crib.

Each set is given out complete with the sheets and bedding to a child on our list who is waiting.

Every child deserves a bed

Each \$100 donated buys a bed or crib

All donations welcome. Just be sure to say Beds4 Kids on the check or allocate it online through our **Donate Now** portal.

A bed means having your own warm safe place tonight and brighter school day

Consider smaller automated monthly donations They are easier on the pocketbook and help us to plan ahead. Sometimes we can even leverage other funds for the future.

YOU CAN HELP:

- **Hold a Sleep-A-Thon** and get sponsors to sleep on the floor. This is a fun group activity that raises awareness about the many poor children in the USA sleeping on the floor every day.
- **Be a corporate sponsor and match funds.**
- **Start a penny jar at work.**
- **Have a home, office or school event** and donate the profits.
- **Spread the word** to your house of worship, sports teams, schools, and groups.
- **Volunteer and help sort sheets and bedding. Or help give out the beds to clients.**
