

TWIN PLATFORM BED

DIRECTIONS

Materials need:

2 - 4' X 8' X 5/8" Plywood or O.S.B.

Directions:

- 1) Cut one piece 35" X 80" (PIECE "A")
- 2) Cut two pieces 78" X 12" (PIECE "B")
- 3) Cut two pieces 33" X 12" (PIECE "C")
- 4) Cut 2 slots 5/8" wide on each of the "B" and "C" pieces. The slots should be 6" from the edge and 6"

Assembly:

- 1) Place the two "B" pieces parallel to each other with the slots facing up.
- 2) Take each of the "C" pieces and line up the slots with each of the "B" pieces. A rectangle should be formed.
- 3) Place piece "A" on top of rectangle to form platform bed.
