Our Goal:

500 Bags

Poor children are at higher risk for developmental delay because they lack toys for stimulation.

The Wish Project partners with hundreds of social workers from many local agencies including: Anne Sullivan, MSPCC, CTI South Bay, Clarendon and others.

These BITS bags will go to therapist and workers so that they can leave the toys in the home for the child and parent to play and practice between visits.

The Wish Project is a household goods clothing and baby goods bank. Providing basic things to needy families. For information and hours for drop-off please contact us.
