Honorary Bags

For \$50 you can honor a woman that has touched your life. We provide a bag with her name on it. She gets a card.

the
Wish
Project

Our Goal:

To help as many mothers as can

More than 85% of the needy clients that we help are women and children that have suffered a one-time life altering crisis ending in homelessness.

Each year hundreds of these women live in shelters while they struggle to make a better life for their children. These moms care for the children while training for new jobs pursuing their education and working hard to escape poverty, abuse and homelessness.

Mother's Day bags go to women in shelters in Lowell, Lawrence and Haverhill.

Our goal is to recognize the tough struggle of these women.

Bags and goods are welcome throughout April and May.

Last day for delivery to our warehouse is the Wednesday before Mother's Day
